## **Love and Conflict amid the War of 1812**

Second Book in Tyndall’s Enthralling Surrender to Destiny Series

**Uhrichsville, OH**—Christy Award nominee, MaryLu Tyndall, delivers the second book in her Surrender to Destiny series, *Surrender the Night*. Set to release in March 2011, readers are invited to step back in history, where a timid American farm girl and a titled British sailor are partners in love, yet opponents in war.

Amid the war of 1812, Baltimore farm girl Rose McGuire is rescued by the least likely of heroes—British Naval Lieutenant Alexander Reed. How will she keep this enemy officer hidden from her family and friends? Alex didn’t plan on getting shot while rescuing a maiden in distress. Now at her mercy, he wonders if Rose will turn him over to the Americans or if his own troops will find him and charge him with desertion. As their attraction grows, a British invasion of Washington begins. What role will these young lovers play in changing the course of history forever?
